underlined text to show the revisions made to the modified text of regulations. This
document only provides portions of the modified text of regulations where changes are
proposed.

**Appendix VI, VII, VIII and IX, Section 2 – Service Technician Information are
proposed to be changed as follows:**

The word “Contractor” was misspelled on the four identified appendices. The word
has been revised as shown.

~~Contractor~~ Contractor

The Draft Resolution contains bold-underlined text to show the revisions made to the
document.

The Draft Resolution document was modified to address non-substantive changes to
Appendices VI, VII, VIII and IX. Specifically, “Whereas” line item 11 added the
following language:

11. The proposed California UST Regulations include certain changes
from the modified text that are non-substantial or solely grammatical in
nature. These changes are identified and discussed in the Final Statement
of Reasons.
